Data 03 Giugno 2019

OGGETTO: **INFORMATIVA REACH E CONFLICT MINERALS – ARTICOLI GEWISS**

Gentile cliente,

in riferimento alla Vs. cortese richiesta, Vi comunichiamo che secondo quanto indicato dal Regolamento CE 1907/2006 (Regolamento REACH) del 18.12.2006 e successive modifiche, GEWISS è un **UTILIZZATORE A VALLE (DOWNSTREAM USER) / FORNITORE DI ARTICOLI** e per tale ragione non deve registrare i suoi prodotti.

In particolare, GEWISS al fine di porre in atto tutti gli adempimenti previsti dalla normativa REACH, richiede ai propri fornitori di materie prime e componenti:

- di essere a conoscenza e di adempiere agli obblighi inerenti il Regolamento;
- di tenersi aggiornati sullo stato di aggiornamento della lista delle sostanze altamente pericolose SVHC (candidate list);
- di fornire informazioni esaustive ed esatte in merito all'eventuale presenza di sostanze SVHC nelle sostanze/preparati/articoli forniti.

Ad oggi, sulla base delle comunicazioni pervenute dai fornitori e considerando che nei processi produttivi GEWISS non sono presenti o aggiunte intenzionalmente sostanze incluse nella candidate list, Vi comunichiamo che tali sostanze si ritengono assenti dagli articoli elencati in allegato 1.

Inoltre, Vi informiamo che, allo stato attuale delle conoscenze, considerando che nei processi produttivi GEWISS non sono presenti o intenzionalmente aggiunti tantallio, oro, tungsteno e stagno provenienti dalla Repubblica Democratica del Congo e dai Paesi limitrofi, tali sostanze si ritengono assenti dagli articoli elencati in allegato 2.

Nel caso dovessimo venire a conoscenza di nuove informazioni in merito, sarà ns. cura informarVi prontamente.

L'occasione è gradita per porgere distinti saluti.

GEWISS S.p.A.
Responsabile Qualità Totale, Sicurezza e
Ambiente

Laura Onorati
