nVent Thermal LLC declares that as of this declaration date, the product(s) identified above does not contain any restricted substances above the homogeneous material concentration threshold level per the Directive 2015/863/EU (Restriction of Hazardous Substances) and amending document(s), unless requested by customer exemption.

This certifies that nVent Thermal LLC has done due diligence and to the best of our knowledge, this statement is accurate and the information is true and correct. If the product is labeled RoHS, the product can be considered compliant and no declaration is needed.

Please note that we are making these representations solely to you and not to, or for reliance by, your customers or any third party.

Sincerely,

A handwritten signature in blue ink that reads "Sally Hemaya".
