A Feilo Sylvania Company

**RoHS Declaration of Conformity
(Directive 2011/65/EU)**

Feilo Sylvania International group is committed to comply with all requirements of the RoHS Directive.

We hereby confirm that to our knowledge all products sold by Feilo Sylvania companies into the European Union Market are fully compliant with the requirements of the European Directive 2011/65/EU “on the restriction of the use of certain hazardous substances in electrical and electronic equipment” (RoHS) of 8 June 2011, including the amendments (EU) 2015/863 of 31 March 2015, (EU) 2017/2102 of 15 November 2017 and all further delegated directives amending the exemptions of Annex III and IV.

More information or latest updates can be found on the below EU website :

http://ec.europa.eu/environment/waste/rohs_eee/legis_en.htm

For further questions you may have, please feel free to contact us at any time.

Sincerely yours,

Hugo Smolders
