REACH Declaration

The REACH regulation entered into force on June 1st 2007. Regarding human health and environment, the target is to manufacture and to only use safe substances inside the EU. eweco gmbh designs, manufactures and sells electro technical products. All our products meet the REACH requirements of <0.1% "very high concern" substances according to the SVHC "candidate list" as per article 57 (last update Jan.17th 2023) of the regulation.

RoHS Declaration

EU directive 2011/65 of the European Union on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS) becomes operative as from the 8th of June, 2011. The list of hazardous substances was updated by putting in force its amendments 2015/863/EU (RoHS 3) and 2017/2102/EU. eweco gmbh GmbH herewith declares that all products listed in this declaration are produced in compliance with RoHS.
